

Ironing Board Cover Pad for NuTone Ironing Center

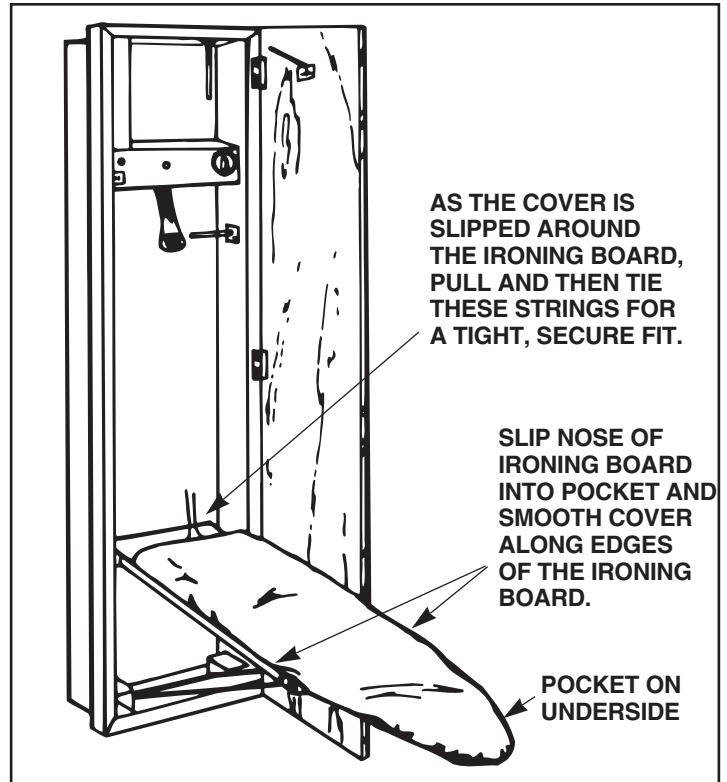

MODEL: AVC-CP

**Follow these steps to place the cover
on the ironing board:**

First, lay the cover on top of the ironing board. Smooth the cover over the length of the board and slip the nose end of the board into the pocket located on the underside of the cover. Beginning at the top edge of the board, smooth the cover around all edges of the ironing board while slowly pulling together the strings located at the bottom edge of the cover. When the cover is firmly in place, tie the strings securely.

IMPORTANT

THE IRONING BOARD COVER IS NOT SUITABLE FOR MACHINE WASHING OR DRYING. If it should become soiled, it may be cleaned with a damp cloth or may be washed by hand. To avoid shrinkage, simply place the cover over the ironing board and allow to dry.

Product specifications subject to change without notice.
