

330 SERIES INLETS

CENTRAL CLEANING SYSTEMS

330 Series Inlet

NuTone's 330 Series Automatic Inlet features a slim profile. Built-in low voltage terminals. System turns on automatically when an unswitched hose is inserted or is ready for immediate activation with a switched hose. Break-resistant cover closes and seals when hose is removed.

FEATURES:

- Installs with 329 Mounting Bracket
- Choice of two colors: White or Ivory
- Styrene snap-back cover
- One Year Warranty
