

# 343G

**CENTRAL CLEANING SYSTEMS**

## **Twin-Turbine Air-Driven Brush**

This lightweight twin-turbine brush combines a highly-efficient belt-pulley design and dual row bristles to pick up the toughest dirt from carpeting – even fine pet hair. With its effective blade design, positioned in front of and behind the turbine brush, dirt is kept within the vacuum area for easier pickup.

**FEATURES:**

- Two rows of soft bristles for maximum cleaning efficiency
- Roller wheels increase maneuverability – glide smoothly over any type of carpet
- Low-profile design lets you clean under furniture and in hard-to-reach places
- Swivel neck, 1 1/4" diameter
- Rugged co-polymer housing provides exceptional durability
- Soft Gray
- One Year Warranty
