

360IV Inlet

360IV Inlet

NuTone's 360 Series Inlet provides an unobtrusive styling to blend in with the decor. Built-in low voltage terminals. System turns on automatically when an unswitched hose is inserted or is ready for immediate activation with a switched hose. Break-resistant cover closes and seals when hose is removed.

FEATURES:

- Installs with 361 or 361F Mounting Bracket
- Molded in Ivory to match standard Leviton® Ivory Switch Plates
