

# CI335W Inlet

Light changes from Green to Amber

## CI335W Inlet with Status Indicating Light

NuTone's CI335 Series Inlet with status indicating light, provides an unobtrusive styling to blend in with the decor. Built-in low voltage terminals. System turns on automatically when an unswitched hose is inserted or is ready for immediate activation with a switched hose. Break-resistant cover closes and seals when hose is removed.

**FEATURES:**

- To be used with all Advantage Series Power Units
- Status indicating light uses existing Low Voltage lead wires. No additional wires are needed
- White
