**Release wands  
from Power Brush  
with quick touch  
of toe-lever**

## CENTRAL CLEANING SYSTEMS

### **Deluxe Electric Power Brush**

Deluxe 14" Power Brush brings extra convenience and reliable performance with its easy-to-release wands and cog-belt design.

#### **FEATURES:**

- 14" width offers greater cleaning efficiency
- Motorized roller bar with two rows of nylon brushes; a replaceable beater bar provides extra cleaning power
- 4-position height adjustment – Hi, Med, Low, Extra Low – tailors cleaning to all types of carpeting
- Easy-to-release wands allow you to remove wand assembly from power brush without bending – easy to switch to alternate tool for above-the-floor cleaning
- Dual brushed edge-cleaning
- Reliable cog belt design
- Built-in full-width light maximizes cleaning visibility
- Convenient overload protection reset button located on housing
